

What is Sport Horse Show Hack?

Sport Horse Show Hack classes are for the well-trained athlete. It is a group class judged on the rail. There are no score sheets, horses are judged in comparison to others in the ring. These classes should take no more than 15 minutes to judge. Horses will be shown at a walk, trot, and canter with collected, normal, and extended gaits to be called for each. Horses will also be asked to hand gallop. All gaits are required to be performed both ways of the ring. Horses must also stand quietly and back readily. Double bridles are permitted but not required. In SHF Show Hack classes, the collected and extended walk will not be asked for.
